Warranty: We warrant the cabinet, hardware and top to be free of manufacturing defects to the original purchaser for five (5) years. It remains the customer's responsibility for freight and packing charges to and from our factory. This warranty does not cover acts of nature, fire and or abusive use. We reserve the right to make substitutions with similar merchandise if the model in question is no longer in production.

Use and care: Wash with mild soap and water, rinse with clean water and dry thoroughly. Granite top has been sealed with DuPont Stone Tech heavy duty Exterior Sealer at the time of manufacture and should last 5 – 10 years. Treat as necessary with DuPont Stonetech Revitalizer.

American Outdoor Kitchen®

-patent pending

The Perfect Alternative To Stone Or Stainless Islands

Since 1988, A&B Accessories has manufactured high quality casual furniture for customers around the world. Our outdoor kitchens continue this tradition by using materials best suited for their environment. The cabinet base is made of Envirotech, a 100% post consumer recycled product made in the USA. This new material will not fade, crack or deteriorate. It requires zero maintenance and is warranted against fading or deterioration. The wood grain texture and excellent design blends with any décor. Available in coastal gray or deep redwood colors, our kitchens can be placed anywhere in your backyard oasis with ease. Our black and tan British granite tops are beyond durable and long lasting – they are simply beautiful as well. While our kitchens are sold throughout the United States, sales to the coastal areas are high. In response, we've upgraded our drawer slides, pulls and hinges to 304 stainless steel and all fasteners to galvanized / Ruspert coated products. This improvement provides excellent performance in the harshest conditions and confidence you'll be satisfied for many years. For those of you who asked us to make our cabinets to your drop in grill specifications, we listened. We pleased to now offer a 72" wide grill cabinet that will accommodate a wide range of premium grill manufacturers including Beefeater, Bull, DCS, Firemagic, Kitchen Aid, Luxor, Lynx, Napoleon, Solaire, TEC, Twin Eagles and Vidalia. For those who aren't associated with a premium grill, we have the very fine line of Infinity grills, side burners and refrigerators to offer.

2-PIECE STARTER

Short on space but big on grilling? Start out with the 48" grill cabinet and Infinity 30" grille then add the handy 903 door-drawer storage module. Plenty of storage space for all of your grille accessories and generous counter surface makes grilling a breeze!
